2025 Corks & Forks Sponsorship Proposal

Benefiting

March 8, 2025
The Townsend Hotel
Birmingham
VIP Reception 5:45-6:45 p.m.
Tasting & Dinner 6:45-10:00 p.m.

We are a nationally recognized expert in empowering students to succeed through mentoring, life skills development, goal setting, job readiness training, and career exploration.

Please join us as a sponsor of the 17th Annual Corks & Forks event, which is chaired by **Teresa Thiele**, **Senior Vice President of Global Purchasing Programs at Stellantis**, and supported by Winning Futures board members **Pete Hockey** of Ford Motor Company, **Marcelo Conti** of General Motors, and **Scott Thiele** of Stellantis.

This exciting event is held at the luxurious Townsend Hotel in Birmingham and features opportunities to meet and network with senior executives. Guests will enjoy samplings of wines, a gourmet dinner, and a live auction emceed by Les Gold from the popular TV series Hardcore Pawn.

The exclusive VIP reception with Teresa Thiele, Pete Hockey, Marcelo Conti, and Scott Thiele features additional wines and hors d'oeuvres. Sponsors must be confirmed by 1/31/25 to be included in print materials; after that date, sponsors will be recognized in the PowerPoint and by the CEO at event. Funds raised will support students in our 2025-2026 programming.

Register to participate in the wine event online at WinningFutures.org/Events/Corks-and-Forks

We will send you an invoice to pay by check, ACH/wire, or credit card (2.5% processing fee)

Supporting our Students

With your support, students from Detroit, Harper Woods, Hazel Park, Pontiac, Sterling Heights, and Warren will start their journey with us in 10th grade and have structured support until they start their careers!

Year 1 Mentoring (10th grade)

Students at our participating schools are matched with career mentors for the school year. During one of their classes, our team facilitates a motivational lesson on the topic of the day. Following the lesson, mentors meet with their students in groups to reinforce the day's lesson through hands-on activities and discussions. Topics include goal setting, career exploration, continuing education, and life and job readiness skills development. All mentoring is onsite at the school in the morning.

AMADURG

Year 2 and 3 Mentoring (11th and 12th grade)

Students who were in our program last year continue with their mentors. The one-on-one matches meet virtually each month and watch a 5-minute video on a specific topic (education and career exploration, right fit, strategic planning, college obstacles, job readiness skills). Mentors are provided talking points to reinforce the lesson. Additional touchpoints are not structured. Students also participate in workshops and tours with our team focusing on college and career experiences.

Years 4-7 Mentoring (continuing education years)

Winning Futures alumni who are currently in a continuing education program are matched with a mentor for a one-hour monthly video call. This topic-based approach supports students through their trade school or college experience to help them stay in school, get connected to internship opportunities, and secure a job in their career field. Additional touchpoints through the month are unstructured. Students may enroll in this program from one to four years.

Check out our annual report, <u>The Vision</u>, and watch this short <u>video</u> to see our students and mentors in action!
