Winning Futures, a Crain's Best-Managed Nonprofit award winner, empowers youth to succeed through mentoring and career development. We transform high school students into becoming self-reliant, employable, productive adults. We help them see the path to a purposeful career and assist them in creating the road map to get there. Over 46,000 teens have been impacted and over \$1.8 million has been awarded in continuing education scholarships since 1994.

BUSINESS PARTNERSHIPS

SPONSORSHIPS

- Winning Futures Scholarship & Awards Night, June: \$5,000, approximately 200 guests
- Lear Golf Classic at Indianwood Country Club, September: \$700-\$10,000, approximately 280 guests
- Corks & Forks at The Townsend Hotel, February: \$1,000-\$15,000, approximately 350 guests

MENTORING SPONSORSHIPS

- Fund the cost of a student in our program at our current schools.
- The cost per student is \$1,500 per year.
- Sponsor levels range from \$1,000 - \$50,000 and include promotion throughout the year, along with event tickets and sponsorships.

VOLUNTEER

- Become a Mentor Champion by committing to having five or more associates involved in our mentoring program.
- Scholarship judges sign-up (February-April) to score essays or interview students for one three-hour meeting.
- One-time mentors (one hour) for our summer school program and Greg Kelsner "Shoot for your Goals" Basketball camp.
- Wine pourers are needed at Corks & Forks to serve guests 6-10pm.
