## Welcome Taquaryl Franklin

We are excited to have **Taquaryl Franklin** on staff as our new Program Coordinator!

Taquaryl is a current undergraduate student at Baker College of Allen Park, studying Human Services. She has an undying passion for youth initiatives that assist students in realizing who they are and how much potential they possess. She has had the opportunity to work with youth from all walks of life by serving two-years as an AmeriCorps Member (assisting in the Winning Futures' Oak Park Business and Education Alliance partnership program) and through an internship she completed with the Wayne County Juvenile Detention Facility. This not only gave Taquaryl an opportunity to receive hands-on experience with the processing of paperwork and understanding court laws, but also ensuring that the youth will receive the counseling needed to increase their chances of success in their communities. She has received multiple recognition for her outstanding efforts "Who's Who among American Women", "Who's Who among College Students" just to name a few. Taquaryl is also a member of the NAACP youth council and the National Association of Colored Women (NACW).

**Taquaryl will be facilitating programs in Harper Woods, Detroit, and Southfield with our high school students.**
