**ONE-TIME GOAL SETTING & CAREER COACHES NEEDED**

For our programs at Madison High School and Harper Woods High School, we need **adults to volunteer one-time for one hour** to work with a small group of students. These "coaches" will complete fun, hands-on activities and workbook pages with students to help teach them a life skill or goal setting lesson. We prepare all of the supplies and activities, and have staff on-site to guide each adult.
